PENNIES FOR
PATIENTS®

June 25, 2015

Principal Scott Bloom
Freedom Hill Elementary School
1945 Lord Fairfax Rd
Vienna, VA 22182-3799

Dear Principal Bloom,

As you may know, Freedom Hill Elementary School was one of the 487 DC Metro schools that participated in the 2014-2015 Pennies for Patients program benefitting The Leukemia & Lymphoma Society. Freedom Hill Elementary School generously donated \$6,541.54! We would like to share our deepest appreciation for your generosity and thoughtfulness to the local blood cancer patients and their families.

The money raised by your school community funds life-saving research and supports local patient services. Thanks to the wonderful schools like yours, Acute Lymphoblastic Leukemia, the most common childhood cancer, now has a 93% survival rate. Your support truly makes a difference!

We would also like to extend special thanks to Erin Schmitz and Jody Delaney who were Freedom Hill Elementary School's Pennies for Patients coordinators. Their initiative and hard work are crucial to the program's success. Erin and Jody's commitment to helping others has shown your students that their actions can make a real difference in other's lives.

We cannot thank you, your coordinators, and your entire school community enough for your participation with Pennies for Patients. We have loved working with your school and know that you must enjoy having such a wonderful school community.

On behalf of our patients and their families, thank you for your support. Please share our appreciation and praise with your staff and students. We look forward to working with you next year.

Sincerely,

Ellen Shannon
Campaign Manager, School & Youth Programs

Wow! what an exemplary
year!!! Thank you so
very much for your
amazing support & we
look forward to partnering w/
you again next
year!!!
