Be a Leader

Make a difference in your child's life and in your community!
National Capital Area Council, BSA runs on the generosity of more than 22,000 local volunteers who give their time to be Scout leaders. Getting involved makes a huge impact on the quality time you get to spend with your child and also gives you an opportunity to lead by example in your community. Scouting is designed to help even the busiest parents/guardians get involved. If you can give an hour per day, per month, or per year, we have a position for you — **volunteer today!**
