NO PARKING REMINDER

Dear Principal Bloom:

As you may recall, we are the owner and manager of the office building adjacent to your school. The issue that we spoke about a couple years ago, the use of our parking lot by the parents and visitors to the school, has unfortunately become a problem again.

We continue to have parents parking in our lot during the times of morning drop-off and after school pick-up. We have received complaints from our tenants about this and I have witnessed it myself. On a daily basis there are cars in and out of the lot with kids running around. I recently received an e-mail from a tenant who came too close for comfort to a child who was crossing the parking lot. We are very concerned something unfortunate will happen and want to be proactive. We have installed signage and need your assistance as the parents still choose to ignore the signage.

We respectfully request that you notify your constituency through the PTA or the Principal's blog that the parking lot at 8221 Old Courthouse Road is private and the use of the lot is prohibited. We appreciate your cooperation in this matter.

Please feel free to call me with any questions.

Sincerely,

Robert M. Bushkoff
