

## FREE MONEY FOR FREEDOM HILL ELEMENTARY WE JUST NEED YOUR GROCERY CARD INFORMATION

Dear Parents:

Freedom Hill can earn money every time you shop for groceries without you doing anything differently. **Last year Freedom Hill earned \$11,390 dollars from participating in grocery store school fundraising programs.** We had earned more from the Giant Bonus Bucks program in previous years, but as more grocery stores have opened and people are splitting their shopping dollars, we need to ensure that we have **ALL the numbers you use and ALL the numbers your friends, family and neighbors use.** Many neighbors will be willing to help out their local school, but may not link their grocery cards because they are unaware of the help it can provide – all without impacting their wallets. Enrolling your cards in the grocery programs does not impact your costs in any way. It only helps to guide the corporate dollars Giant and Harris Teeter are willing to provide toward our school.

These funds really make a difference. Last year we were able to fund equipment for our school's STEM Lab and supplement student accessible technology.

We are able to log the cards for you, if you provide your information to us on the following form.
