Dear Freedom Hill Parent/Guardian,

The staff and students of Freedom Hill will hold a car wash fundraiser for technology on September 24th, with a rain make-up date of October 1st, to raise money for new and replacement classroom devices.

As teachers increase the delivery of activities that build the skills necessary to become critical thinkers, problem solvers, communicators and global citizens, consistent access to technology is imperative. As we plan for the present and future needs of students, we must continue to update our existing device infrastructure and increase our inventory. An increase in computer access will better assist teachers in providing students with authentic learning opportunities that build real world skills.

Our plans for the future include:

- Implementing a 1:2 blended learning model in grades 4-6 during the 2016-17 school year
- Increasing access for all students
 - Increasing access to checkout carts for Dreambox, MyOn, Imagine Learning and 21st century classroom activities.
- Additional carts for specialty uses
 - STEM (technology is an important part of STEM)
 - Library (media literacy)
 - English Language Learners (language acquisition programs)

In order to reach our goals, your support is essential!

We need parent and student volunteers to wash cars, direct traffic, and hold up posters encouraging drivers to stop and get their car washed. If you or your child is interested, please fill out the permission form below. A follow up letter will be sent to those who indicate interest including important details such as arrival time, attire, and other helpful tips.

Please indicate your willingness to volunteer by completing the form below and **returning it to your child's teacher**. Thank you!

Please complete all information below and return it to the classroom teacher.
