

**Freedom Hill PTA Garden Committee  
Parent Recruitment Flyer**

Dear Freedom Hill Community,

The PTA Garden Committee is seeking parents to join our amazing group for the 2018-2019 school year. We meet once per quarter and are seeking to maintain and improve the garden, so students and teachers can fully use the space to enrich their learning experiences. We have many great projects planned for this year. If you are interested and know of other parents or community members who can help us, please contact Franz Misch ([ffmisch@fcps.edu](mailto:ffmisch@fcps.edu)).

Yours in Gardening,

Franz Misch ([ffmisch@fcps.edu](mailto:ffmisch@fcps.edu))
