Dear Parents of Children in **Grades 2-6**,

The deadline for all referrals for spring Advanced Academics Level IV screening is fast approaching. All referrals and optional information must be submitted to me, Mr. Misch, by the close of business on **Thursday, January 10th, 2019**. To submit a referral, please place it in a sealed manila envelope addressed to me. The office staff will take your envelope and place it in my mailbox.

Please make sure that **all** items are printed on one-sided 8.5 x 11 paper. Also, please make sure to sign and date the referral.

If you have further questions, I will be holding a meeting in the Freedom Hill **STEM lab** about the Advanced Academic Program and screening next **Wednesday, December 19th from 11:30-12:30**. Also, please feel free to contact me through e-mail if you need any assistance with the referral process.
