

We're Hosting a Read-A-Thon!

March 4th through the 17th

Encourage reading among all students!

Raise money for important school programs sponsored by the PTA!

Have Fun!

This event was celebrated in all classrooms last year and was our biggest PTA fundraiser of the year. Students logged over 275,000 minutes of reading!

Why are we having a Read-A-Thon?

The PTA supports a variety of programs that directly touch every student at Freedom Hill Elementary. 100% of fundraisers proceeds will be used to fund important school wide programs such as technology investment (18 more laptops for the tech program), reading resources, and staff development (bolsters the FHES budget for conferences and classes).

Please join our efforts to support our wonderful school community – every little bit counts!

Prizes!!

Grade levels with the highest reading minutes at the end of each week will earn a grade level prize.

If we reach our school-wide fundraising goal, Mr. Bloom will get a pie in the face. (He was such a good sport in 2017...let's try and reach our goal this year!)
